The last supply drive was a great success, we received needed supplies and got to visit with friends we hadn't seen in awhile.

We will be accepting donations of supplies. Our goal is to stuff the shelter van to the brim. Items we use everyday are listed below.

**Dry foods:** Purina cat chow, Purina or Pro Plan Sensitive Skin & Stomach, and Kitten chow are the main foods we feed. We do use other dry foods, as we have cats on specialty diets and our colonies to maintain.

**Canned/pouch cat foods:** the cats are not picky about wet cat food. If one cat doesn't like a type, there is always another cat who will eat it! In the summer we also have a need of canned kitten food. On a side note: Spider, Cassie and Grace do best on "Weruva's bff pouches" or "Delectables Stews or Bisque pouches" for their wet food.

**Odds and ends:** Stamps, kitchen size trash bags, paper towels, baby wipes, pet shampoo, cleaners, laundry detergent. Water for volunteers.
