

Cats Haven's Mission:

Summer 2022

Cats Haven's mission is to provide a non-institutional (cage free) sanctuary for special need cats and kittens, plus elderly cats that are accepted from other facilities and organizations. Cats Haven provides its' residents with a lifelong, safe, clean, and loving environment. Cats Haven strives to educate the public about the quality of life for special needs or senior animal companions, the importance of spaying and neutering and about available resources

From Barbara's Desk:

A huge thank you to Becky Spudic for tackling the website issues. There are still a few quirks she is working on; however, it is now up.

I want to thank everyone who came to the open house. It was good to see old friends and make new ones. Thank you everyone who brought donations of cat food, litter, cleaning supplies, paper towels and much more.

Below are pictures of the dedication of Rodger's garden; we also placed Odette's ashes into the garden. Odette always loved to supervisor people working in the yard. They are both missed so much.

Later this month we are having our "Christmas in July" sale. There will be Holiday decorations, vintage jewelry, household items, sewing patterns, fabric, crafting items to create your own gift items and things that you don't realize you need.

In Sept we will resume our "Cram the Van". This summer has been so hot; so we will be sitting out July and August.

I know that I am not good about posting the donations that come in; but they are truly appreciated.

Denise, Barbara, and others shared memories of Rodger and Odette.
