

Cats Haven's Mission:

Cats Haven's mission is to provide a non-institutional (cage free) sanctuary for special need cats and kittens, plus elderly cats that are accepted from other facilities and organizations. Cats Haven provides its' residents with a lifelong, safe, clean, and loving environment. Cats Haven strives to educate the public about the quality of life for special needs or senior animal companions, the importance of spaying and neutering and about available resources

From Barbara's desk: .

A huge thank you to all our donors and supporters as we would not be able to help the cats in our care without your help.

Thank you to the students of the Phi Theta Kappa Honor Society at Ivy Tech Community College for volunteering at Cats Haven for their day of service.

Thank you to Lindsay Garlick and Amanda Beal for volunteering on the Serve with Liberty day of service.

Having groups of volunteers in helps us get projects done or deep cleaning that we just run out of time to get to. Their help is greatly appreciated. Contact Barbara at: 317 925 7001 or email her at : catshavenltd@sbcglobal.net if your company or a group of friends would like to setup a day of volunteering.

The shelter house will be closed June 13th to June 19th. I am taking a few days away from the shelter house. The phone messages and emails will be answered in the evenings.

Our "Cram the Van" dates for June and July are scheduled and can be found on the next page. Stop by and say hi to Barbara and other volunteers!

Kate wants everyone know that she is doing well. She misses her sister everyday.

Daily needs

Summer 2024

Monetary donations to help with bills. Gift cards. Stamps

Blissful Belly, dry. Paper plates and paper towels. Squeeze up treats; we are using these to give cats their meds.

Scoopable cat litter, kitchen size trash bags and 33 gallon trash bags.

Potty pads, all sizes, baby wipes, laundry and cleaning supplies. White vinegar, for cleaning. Water and snacks for the volunteers.

Volunteers

We get the day to day cleaning done; it is hard to get to tasks that need to be done on a weekly or monthly basis.

I do not ask anyone to do something that we are not doing ourselves. I am usually here 6 days a week; I clean 5 of those days. Many people don't realize that our volunteer base is very small, so extra help is welcome.

Upcoming events:

Our t shirt sale

The sale will be up and running in June. Watch our FB page for more info.

Shelter house closed June 13th and reopen June 20th.

Cram the Van Dates: Sat. June 29th and Sat July 20th.

11:30 to 2:30 Pet Supplies Plus in Broadripple 2238 E. 62nd St.

Stop by and say hi to Barbara and volunteers.

Troy, Avery and The Floof want to thank our supporters. The boys were able to get much needed dentals this year. Cats with cerebellar hypoplasia tend to hit their heads and mouths, resulting in broken teeth from time to time. With Cerebellar Hypoplasia, medical care is more costly due to the condition. They require bloodwork before surgery and require more monitoring.
